FRÍANT

A Great Project Starts with Quality Materials

At Fríant, we believe in furniture that's designed to perform and solutions that provide our end-users the elements needed to create an efficient and modern workspace.

We offer an extensive range of quality fabrics and materials, which we have sourced to meet both the environmental and valued standards Fríant is known for.

Want to customize your workspace? Work with customer service for a more personal look by customizing your system with COM fabrics (Customers Own Materials).

To explore more, visit friant.com.

Fríant, **All Workstyles Welcome.**

Fabric is scheduled for discontinuation when inventory is exhausted. Contact Customer Service for current stock levels. After discontinuation fabric will be available with extended lead time.

For further information, view the Materials Reference Guide on the DRC
